

REPLY OF GRIEVANCES/QUERY - REGARDING AIA-PGET 2017

AIA-PGET Secretariat has been receiving grievances/queries pertaining to AIA-PGET exam. It has been observed that most of the grievances/queries are with similar and in most of the grievances, candidates have cut and paste a common text about the grievance. Therefore, after considering the facts that most of the grievances are in similar nature, an all-inclusive reply is given:

REPLY

- *Institute has entrusted this work to a Committee who has informed the authority before declaring the result and after watching the CCTV footage, no Massive cheating has been observed.*
- *Due to some technical reasons which were beyond the control of human being, some systems get hanged or electricity failure, in a very few centre and the same was resolved immediately. Moreover, each candidate was allotted time as per brochure i.e. 90 minutes to complete his/her computer based exam. However, Biometric attendance was done for all the candidates at all the centre. Hence, Institute hereby refute this statement.*
- *The staff who engaged for conducting the exam, were trained and qualified staff as the agency engaged for this purpose is a Professional in this field.*
- *Regarding reservation of seats in AIA-PGET, it is to inform that this issue doesn't come under the purview of AIIA, it's a state or relevant University issue.*
- *Before declaring result, the mark-sheet has been properly checked and verified by the Agency concerned. Since, this was computer based exam and checked, hence, chances of differences in marks is 'ZERO'*
- *Merit list for the counseling purpose will be prepared by the respective State/ University authorities. Hence candidates are advised to check the web-sites of concerned state govt department/ universities. A letter in this context, has already been sent by Ministry of AYUSH to all concerned State Govt. authorities/ Universities.*
- *AIIA/Ministry of AYUSH has no role in counseling*
- *Thanks to all the candidates for their support*
